#### Representations & Warranties

The delivery and dumping of asbestos containing material poses a serious health risk to workers and will result in significant financial damages to both DL Bins Ltd. (dba DL Recycling Centre & Fisher Road Recycling) and New West Gypsum Recycling (BC) Ltd. Both New West Gypsum (BC) Ltd. and DL Bins Ltd. are relying on the accuracy and the customer's declaration in accepting drywall materials for recycling. By signing this form, the customer agrees to accept liability for all costs incurred by New West Gypsum Recycling (BC) Ltd. (including business interruption losses, and losses in profits) and/or DL Bins Ltd., that result from an incorrect declaration regarding the origin and content of the material as declared above and that the minimum liability for making such an incorrect declaration will be a payment of \$10,000 plus all clean-up costs. DL Bins Ltd. and New West Gypsum Recycling (BC) Ltd. further reserves the right to ban any customer from disposing of drywall to any of its facilities.

**\*\*All fines will be applied AFTER the customer has paid for proper testing, remediation, and disposal of material from our site.\*\***
